We are the only U.S. organization that is dedicated specifically to connecting healthcare specialists from diverse areas of expertise towards the mission of creating sustainable global medical outreach and educational infrastructure. Our focus is on bringing together individuals, institutions, organizations, and creating synergies by building common platforms and infrastructure for efficient resource-sharing.

An exciting three-day program features world-renowned experts and speakers from the U.S. Academic International Medicine (AIM) community. Program highlights include:

- The inaugural ACAIM consensus session, focusing on sustainable medical outreach Two parallel tracks, packed with high yield scientific content.
- Scientific presentation sessions with 5-minute “quick shot” and 10 minute full podium formats.
- Expert panels on current “hot topics” in international medicine:
 - Standardizing medical education across the world
 - Creating and maintaining high quality, sustainable outreach and training programs
 - Bi-directional processes in international medicine: Learning while teaching
 - Women in international medicine: Focus on leadership
 - Trauma and critical care in resource-limited environments
 - Leadership and academic advancement: How can ACAIM help you?

AIM2017 Registration Benefits

There are Multiple Events being held at AIM2017. The registration form legitimizes delegates to attend the workshops, sessions on 28th, 29th & 30th July 2017. **Workshop listing/Conference details will be displayed on website:** www.ACAIM.org [AIM2017 Tab]. Downloadable program will be available once all sessions are finalized.

Conference Registration: Attendees must register for the entire 3-day conference on 28th, 29th & 30th July 2017. Hotel / Resort fees will be substantially discounted for AIM 2017 attendees. Specific registration benefits include:

- 1) Special ACAIM hotel rate → For AIM 2017 attendees, a special rate of \$250 per night will be available. This is an exclusive arrangement that will not be available for other guests.
- 2) In addition, for those guests who wish to arrive prior to the AIM 2017 event, starting July 24th until July 30th, all contiguous nights at the Wyndham will be priced at \$250 - a steep discount from the listed official price schedule.
- 3) All attendees will receive a complimentary subscription to *StatPearls.com*; This includes 1-year of unlimited CME. Our program committee decided to use this unique and innovative approach to providing CME in lieu of ever more restrictive “red tape” requirements being imposed on conference speakers and program committees. This guarantees a much more interesting conference without unnecessary restrictions on content, while guaranteeing attendees essentially unlimited CME credits at their own pace through our strategic partnership with *StatPearls*!
- 4) All-inclusive package of \$1,000 (for attendings) or \$650 (for trainees or LMIC visitors) guarantees not only all of the conference and hotel amenities, but also encompasses three meals per day (breakfast, lunch, supper/dinner). This is truly a bargain, especially considering that the conference takes place at a brand new, top notch beach resort facility!
